## Ministries Budget Offering MAY/JUNE Promotion

Greetings from the District Office in Camrose!

Since 2013, our international office has reminded us that *Jesus is the Subject*. The church is not the subject. Our traditions are not the subject. Our theology is not the subject. Jesus is the subject. When Jesus is the subject, when we are captured by what captures the heart of Jesus, one can only ask the question “What does Jesus see?” What does Jesus see when He looks at the Canadian culture?

What does Jesus see when He looks at the church in Western Canada? What does Jesus see when He looks at my life?

When Jesus was here on earth He was captured by many things. He saw the Spirit of God descending like a dove on Him and saying “You are my beloved Son in whom I am well pleased!” He saw eager, willing hearts in Simon, Andrew, James, and John. When He saw a large crowd gathering beside the lake, He had compassion on them and healed their sick. When He saw that Lazarus had died, He wept. He saw the faith of the women who was healed of her bleeding. The book of Revelation tells us He sees the past, present and future of the church.

Jesus is the Subject and if we are going to follow Jesus let's make it our prayer this year to “**See What Jesus Sees**”!
