

What Is Furaha?

Furaha Child Sponsorship Program (FCSP) - established to provide hope, training, spiritual and financial help with a program to aid desperate and needy children through ministries of the Church of God in Eastern Canada, in Africa. FCSP is presently in Uganda, Sudan, and the D.R. Congo where affiliated Churches of God exist. Currently over 300 children are or have been sponsored.

What Do We Do?

*Children are the future leaders of communities and countries of the world and of the church. Many of them have no joy or hope for a happy, meaningful future as they face desperate poverty, hopelessness, being an orphan, or having one- parent, lack of education, and disease.

*Furaha Program is committed to assisting in these areas: to introduce the children to Christ, provide spiritual nurture and hope, enable them to get an education and to praying and providing for other needs. The FCSP is committed to helping build up young lives in Africa in surroundings that will be physically and spiritually healthy, as well as productive in Church and community. Your sponsorship and donations work effectively to help the Furaha Child Sponsorship Program fulfill its purpose.
