

Multitudes of children in the developing world need HOPE to survive, to become all they could be.

Malnutrition, disease, hunger, polluted water, and other forms of deprivation will stunt their growth and stifle their spirits.

Orphaned by war, abandoned by parents or cared for as well as possible by impoverished and uneducated families, many children are receiving supportive care through the ministry of the Church of God in Uganda and other places.

Furaha Sponsorship Program is Canadian sponsored and administered by the International Mission Team of The General Assembly of the Church of God in Eastern Canada. The Canadian Church of God Ministries also supports and participates in Furaha program. The program has been active since September 1988.

Our Canadian Coordinators are: Ken and Julie Wiebe, Denuja Navaratnarajah and Praneetha Selliah. The Director in Africa is missionary Colleen Stevenson.

If you would like the opportunity to help provide nutrition, health care, education and Christian love to needy children through the ministry of the Church of God, the Furaha Sponsorship Program is for you.

Some children are in outlying areas and it is difficult to get correspondence from them as often as we would like. Report cards are sent to you so you know they are in school and receiving your money.

HOW THE PROGRAM WORKS

After enrolling, you will receive a photo of a child, along with information about family background, schooling, etc. (this may take up to a month) that you may correspond with.

You may include extra gifts of money with your support cheque towards a fund to purchase a gift for all the sponsored children in the program.

- Sponsorships may occur in various ways:
 - by one person
 - by groups like Sunday Schools, Clubs, Ladies' groups
 - by a group of friends who pay a share in the support of a child or children.

Shares can be paid annually, semi-annually, quarterly or monthly.

You can correspond with your child by sending mail to them -

For birthday gifts, you can mail small gifts (like gum, balloons, stickers, etc.) in bubble envelopes to your own sponsored child.
