

DEER VALLEY MEADOWS CAMP

Preparation For The Summer

VOLUNTEERS NEEDED

Each year many groups and individuals that come to Deer Valley Meadows have been blessed by those who have done so much to enhance and improve the appearance and attraction of the camp. We want to provide a place that is clean and attractive where God can be seen in the beauty around us, and where we are ready to have the larger groups enjoy the camp.

After a long and cold winter, there is much that needs to be done around the grounds. From clearing trails to raking a ton of leaves, to painting some of the painted fences and structures. From fresh air, to great fellowship, and satisfaction of accomplishment, we would so much appreciate what you can contribute.

We will provide great food and accommodation if you would like to stay here longer. We would love to have you here.
