1. Mission Trip applicants are responsible to receive professional advice regarding health and medical precautions that should be taken when traveling to the Mission Trip location.
2. Mission Trip applicants are advised to bring enough medicine for personal use for the duration of the camp – plus an allowance for delays in returning home. In many parts of the world, there are no pharmacies to fill prescriptions.

IMPORTANT

If you have any medical condition, allergies, etc. that you would like the Mission Trip Coordinator(s) and health care providers to know, please detail it below.

NOTE: In the event that you require medical attention while on this trip, it will be very useful for those looking after you to have as much medical information about you as possible.
