# Facilitating Change during Pastoral & Leadership Transitions June 13-15, 2018 | Calgary, Alberta

## TRAINING TEAM

June 13-15, 2018

Cam Taylor, M.Div. PCC — Cam directs the Transitional Leadership Ministry, coaches leaders and teams, works with churches in transition, is an author, speaker and facilitator. He resides in BC and is on staff with Outreach Canada.

Hugh Fraser, M.Div. — Hugh has been a Transitional Pastor for 18 years & worked with 17 churches. He has received coach training from the Newfield Network and The Institute for Generative Leadership. He is part of the Canadian Baptists of Western Canada.

Change is situational. Transition, on the other hand, is psychological. It is not those events, but rather the inner reorientation or self-redefinition that you have to go through in order to incorporate any of those changes into your life. Without a transition, a change is just a rearrangement of the furniture. Unless transition happens, the change won't work, because it doesn't take. — William Bridges

***This training will equip transitional pastors and leaders to facilitate positive change during leadership transitions in local congregations.***
