# AGM Delegate Responsibilities

AGM Delegates should be individuals who are fully aware of the circumstances and issues facing their local church so that the interests of the congregation can be represented at the AGM. Preferably a delegate would be in a leadership position such as the local Board of Trustees, Leadership Team or Deacons. Not only will they have a solid understanding of their church, they will also be in a better position to implement ideas and proposals approved at the AGM.

The following expectations are for all delegates of the CCOGM Annual General Meeting:

- Acquaint yourself with the material prior to the AGM.
- Inform your local congregation of items that will be dealt with at AGM.
- Get your congregation's feedback on those items or any other items. Discuss as needed with your pastor(s) or board chairs.
- Attend AGM and be prepared to participate in discussion and vote on items requiring decision.
- Report back to your congregation what happened at AGM (including budget support).
- During the following year you will receive the minutes of the AGM and regular email updates on events, news, etc.

## **AGM attendance and reimbursement guidelines**

Attendance at the Annual General Meeting and subsequent Business Meeting is not limited. At the time of registration for the business meeting portion of the AGM, you may only register under one category of delegate.

Expenses incurred for attendance at EQUIP and the Annual General Meeting are the responsibility of the attendee and/or church.

The Board of Directors does not mandate attendance at EQUIP/AGM by members of any committee of CCOGM, as they do not qualify as delegates. Churches are expected to select delegates for this event without consideration of their board or committee work.

EQUIP 2022 registrants are also registering for the AGM, since this event will be offered both in-person and online.

Senior/Associate Pastors of credentialed congregations who are not licensed or ordained do not qualify for voting at the Annual General Meeting as per bylaws 4.1. However, they can be sent as a lay delegate with voting privileges under 4.4.
